Help us build our **FIRST** innovative green school in Ontario!
 Who are we doing this for?
The children!

GSGF News: We are rapidly progressing on the design concept and layout of the school. We've added new professional architects and mechanical engineers who believe in our vision.

This is a challenging but exciting stage and we're enjoying every step of the way!

Nikole's Chosen Quote of the Month

"The best education does not happen at a desk, but rather engaged in everyday living - hands on, exploring, in active relationship with life."

- Vince Gowman
